Harley Race ended Dusty Rhodes' five day reign as N.W.A. World Heavyweight Champion. This match took place on August 26th, in Orlando, Florida. Race won the title for a third time in his career. On that night Rhodes was injured by Terry Funk who interfered in this title encounter, causing Rhodes to loose the crown. Look for Rhodes to have his biggest feud yet with his fellow Texan, Terry Funk.

Some weeks ago in Corpus Christi, Texas, Dory Funk, Jr.beat Tully Blanchard for the Southwest Championship.

In the Memphis, Tennessee Mid-south area Jerry Lawler is once again a rulebreaker. He is now feuding with former teammates; Bill Dundee and Tommy Gilbert. Dundee recently won the Southern Championship from Ron Bass. Lawler as well as Dundee recently faced A.W.A. Kingpin Nick Bockwinkel in Memphis. Also in the same area Sonny King has changed his ways recently, he no longer manages; Danny Davis, Ron Bass, Larry Latham, Wayne Farris and the Waynes. King is now guiding the career of young scientific wrestler Rick Morton. King has teamed recently with this new protege of his.

Dewey Robertson won the Canadian Championship in a tournament held in Toronto, Ontario, Canada on September 9th.
